1. Introduction

Our school is inclusive; we focus on the well-being and progress of every child and we are committed to ensuring all members of our community are equally valued.

Equality legislation exists to protect people but also to try and advance equality. Inequality still persists in the UK despite 40 years of equality legislation. In Cumbria we know that some groups do less well than others in terms of progress, achievement and later life chances. This picture is reflected nationally. The recognition of diversity and promotion of inclusive and equality practices will help to overcome this disparity.

Our school seeks to foster a warm, welcoming and respectful environment which allows us to question and challenge discrimination and inequality, resolve conflicts peacefully and work and learn free from harassment and violence.

We recognise that there are similarities and differences between individuals and groups but we will strive to ensure that our differences do not become barriers to participation, access and learning and to create inclusive processes and practices, where the varying needs of individuals and groups are identified and met. We therefore cannot achieve equality for all by treating everyone the same.

We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement.

We recognise that these duties reflect international human rights standards as expressed in the [UN Convention on the Rights of the Child](#), the [UN Convention on the Rights of People with Disabilities](#), and the [Human Rights Act 1998](#).

Our approach to equality is based on 7 key principles:

1. **All learners are of equal value.** Whether or not they are disabled, whatever their ethnicity, culture, national origin or national status, whatever their gender and gender identity, whatever their religious or non-religious affiliation or faith background and whatever their sexual orientation.
2. **We recognise, respect and value difference and understand that diversity is a strength.** We take account of differences and strive to remove barriers and disadvantages which people may face, in relation to age, sex, race, disability, religion or belief, gender reassignment, marriage and civil partnership, sexual orientation or pregnancy and maternity (protected characteristics). We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.
3. **We foster positive attitudes and relationships.** We actively promote positive attitudes and mutual respect between groups and communities different from each other. We are also committed to supporting our staff in the practical implementation of this Policy.
4. **We foster a shared sense of cohesion and belonging.** We want all members of our school community to feel a sense of belonging within the school and wider community and to feel that they are respected and able to participate fully in school life.
5. **We observe good equality practices for our staff.** We ensure that policies and procedures benefit all employees and potential employees in all aspects of their work, including in recruitment and promotion, and in continuing professional development.
6. **We have the highest expectations of all our children.** We expect that all pupils can make good progress and achieve to their highest potential.
7. **We work to raise standards for all pupils, but especially for the most vulnerable.** We believe that improving the quality of education for the most vulnerable groups of pupils raises standards across the whole school.

2. Purpose of the Policy

The Equality Act 2010 was introduced to ensure protection from discrimination, harassment and victimisation on the grounds of specific characteristics (referred to as protected characteristics). This means that schools cannot discriminate against pupils, staff or the wider school community or treat them less favourably because of their sex, race, disability, religion or belief, gender reassignment, sexual orientation or pregnancy and maternity.

Age and marriage and civil partnership are also “protected characteristics” and although are not part of the school provisions related to pupils, would apply to staff and the wider school community.

The Act requires all public organisations, including schools, to comply with the Public Sector Equality Duty (PSED) and two specific duties:

The Public Sector Equality Duty or “general duty”. This requires all public organisations, including schools, to:

- eliminate unlawful discrimination, harassment and victimisation;
- advance equality of opportunity between different groups;
- foster good relations between different groups.

Two “specific duties”. This requires all public organisations, including schools, to:

1. publish information (the Policy) to show compliance with the Equality Duty;
2. publish equality objectives at least every 4 years which are specific and measurable.

This Policy describes how our school, which has very limited resources, is meeting these statutory duties and working hard to ensure that equality is at the core of all that we do. This document is supported by our Equality Objectives Action Plan which demonstrates how we intend to ensure that principles of equality are embedded into our school and community life.

3. Links to other policies and documentation

Although this Policy is the key document for information about our approach to equality in line with the Public Sector Equality Duty, evidence of our commitment to our responsibilities under the Equality Act can also be found in our:

- Accessibility Plan
- Admissions procedures
- Behaviour Policy
- Child Protection Policy and procedures
- Code of conduct for staff and other adults
- School website and newsletters
- Self-evaluation reviews
- SEND Policy
- School development plans

As a school we also collect the following information, broken down by race, religion or belief, sex, disability and, where relevant, sexual orientation, gender reassignment, pregnancy and maternity, marriage and civil partnership, and age:

- School admissions
- Pupil attainment and progress
- Prejudice-related incidents
- Sanctions (including suspension and exclusion)
- Staff recruitment and selection
- Promotions
- Professional development opportunities

The Equality Act also applies to schools in their role as employers, and the ways in which we comply with this are found in our Recruitment and Selection procedures.

4. Our school profile

SwitchED2 is a differentiated learning experience for those who struggle with mainstream schooling or a regular learning environment.

We are located within the Lake District close to 2 other counties, North Yorkshire and Lancashire, and are surrounded by hills, woodlands and the Kent Estuary. SwitchED2 provides a small learning environment with a maximum of 8 pupils in the main cabin and 4 pupils in the nurture cabin. This enables us to deliver high quality care and education to a small group of pupils. The delivery of education is primarily done through practical activities and offers a holistic, caring and supportive learning environment. We seek to work collaboratively with schools, local authorities, parents, care service, NHS and other agencies that support the development of young people.

We offer provision for young people from Key Stage 2 to Key Stage 4 with an aim to develop self-esteem, confidence, team work and problem solving skills which are all accredited through unit accreditation via nationally recognised awarding bodies.

SwitchED2 also offers a wide range of practical activities including animal care, catering, design technology, land based and motor vehicle studies. Using the daily farm routines as a practical learning environment, we are able to motivate, inspire and deliver a holistic approach.

We are equipped to deliver an excellent learning experience for young people, whose needs are developing, within a homely classroom environment. These practical activities are evidenced and mapped out alongside the national curriculum subjects that are being taught in mainstream education.

All the subjects are assessed and tracked in accordance with average point scores which can then be translated to individual school progress and monitoring policies.

In addition to the learning experience in the classrooms, we also deliver one to one education in the young person's home if required and in a unit based in Barrow.

Currently, all young people on roll at SwitchED2 have an Education Health Care Plan.

We have never had problems attracting staff and have a full teaching staff complement.

Information for parents and others is provided in written and verbal form.

Note: If we do not provide actual figures in relation to pupils or staff from ethnic minorities or any other equality group with protected characteristics it is because they are a small number of people and we must maintain their privacy. We are also not required to collect any statistical data which we do not already collect routinely e.g. RAISE online and other data.

5. What we are doing to eliminate discrimination, harassment and victimisation

- We take account of equality issues in relation to admissions and exclusions; the way we provide education for our pupils and the way we provide access for pupils to facilities and services.
- We are aware of the Reasonable Adjustment duty for disabled pupils – designed to enhance access and participation to the level of non-disabled pupils and stop disabled children being placed at a disadvantage compared to their non-disabled peers.
- The Head teacher ensures that all appointment panels give due regard to this Policy so that no one is discriminated against when it comes to employment, promotion or training opportunities.
- We actively promote equality and diversity through the curriculum and by creating an environment which champions respect for all.
- Our admissions arrangements are fair and transparent, and we do not discriminate against pupils by treating them less favourably on the grounds of their sex, race, disability, religion or belief, sexual orientation, gender reassignment, pregnancy or maternity.
- We carry out Equality Impact Assessments (EIAs) on all new policies, practices, events and decision-making processes to ensure that they are fair and do not present barriers to participation or disadvantage any protected groups from participation.
- We challenge all forms of prejudice and prejudice based bullying.

Behaviour, exclusions and attendance

The school policies on behaviour and attendance take full account of our duties under the Equality Act. We make reasonable, appropriate and flexible adjustment for pupils with a disability. We closely monitor data on exclusions and absence from school for evidence of overrepresentation of different groups and take action promptly to address concerns.

Addressing prejudice and discriminatory-based bullying

The school challenges all forms of prejudice and discriminatory-based bullying, which stand in the way of fulfilling our commitment to inclusion and equality, including:

- prejudices around disability and special educational needs.
- prejudices around race, religion or beliefs.
- prejudices around gender and sexual orientation.

There is guidance in the staff handbook on how prejudice-related incidents should be identified, assessed, recorded and dealt with. We treat all bullying incidents equally seriously.

6. What we are doing to advance equality of opportunity between different pupil groups

- We know the needs of our school population very well and collect and analyse data in order to inform our planning and identify targets to achieve improvements. We take action to close any gaps, for example, for those making slow progress in acquiring age-appropriate literacy and number skills. We also ensure children from all groups are challenged to reach higher levels.
- We have procedures, working in partnership with parents and carers, to identify children who have a disability through our pupil admissions meetings and home visits.
- We collect, analyse and use data in relation to attendance and exclusions of different groups.
- We use a range of teaching strategies that ensures we meet the needs of all pupils.
- We are alert and proactive about the potentially damaging impact of negative language in matters such as race, gender, disability and sexuality.
- We ensure equality of access for all pupils to a broad and balanced curriculum, removing barriers to participation where necessary.

- Our school has an accessibility plan that is reviewed every 3 years or when a significant change has taken place. The Plan is published on the school website.
- We will take positive and proportionate action to address the disadvantage faced by particular groups of pupils with particular protected characteristics, such as targeted support. The actions will be designed to meet the school's Equality Objectives.

7. What we are doing to foster good relations

- We prepare our pupils for life in a diverse society and ensure that there are activities across the curriculum that promote the spiritual, moral, social and cultural development of our pupils.
- We teach about difference and diversity and the impact of stereotyping, prejudice and discrimination through PSHE and citizenship and across the curriculum.
- We use materials and resources that reflect the diversity of the school, population and local community in terms of race, gender identity, sexuality, disability and avoiding stereotyping.
- We promote a whole school ethos and values that challenge prejudice-based discriminatory language, attitudes and behaviour.
- We provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures.
- We include the contribution of different cultures to world history and that promote positive images of people.
- We provide opportunities for pupils to listen to a range of opinions and sympathise with different experiences.
- We promote positive messages about equality and diversity through displays, assemblies, visitors and whole school events.

8. Publishing equality information and objectives

We identify and publish equality objectives on a four-year cycle. The objectives are reviewed each year by the school's SLT and are available on our website. We are happy to provide our equality objectives in other formats if requested.

We have a template for publishing school equality objectives on our website and use guidance on writing equality objectives to ensure that our objectives are SMART (Specific, Measurable, Achievable, Relevant and Time-bound).

9. Roles and responsibilities

We expect all members of the school community and visitors to support our commitment to promoting equality and meeting the requirements of the Equality Act. We will provide training, guidance and information to enable them to do this.

10. Equal opportunities for staff

This section deals with aspects of equal opportunities relating to staff. We are committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment.

- All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law.
- We are also concerned to ensure, wherever possible, that the staffing of the school reflects the diversity of our community.
- As an employer we strive to ensure that we eliminate discrimination, sexual harassment, harassment and victimisation in our employment practice and actively promote equality across all groups within our workforce.

- We ensure that all staff, including support, administrative staff, and others employed on a regular basis by external organisations, receive appropriate training and, where applicable, opportunities for professional development, both as individuals and as groups or teams.

11. Monitoring and reviewing the Policy

We update and re-publish our Equality Policy as necessary, and the action plan no less than every 4 years. We will also review our action plan in brief annually in light of any new objectives to ensure our longer-term goals remain relevant.

12. Disseminating the Policy

This Equality Policy, along with the Equality Objectives and related information, is available:

- on the school website.
- as paper copies in the school office.
- in the staff handbook/Code of Conduct.
- on display for visitors, including parents and carers.

We publish copies of relevant Policies and guidance, including those on behaviour, admissions and special educational needs, on our school website.

13. Complaints

Complaints arising from the operation of this Policy will be dealt with in line with the school's complaints procedure.

Complaints by staff will be dealt with under the Grievance Procedure, as appropriate.

We take all complaints seriously and will take appropriate action to eliminate discriminatory behaviour.
